

LABOUR PUMP COMPANY

Document: Receipt and Domestic Return Receipt
· Receipt and Domestic Return Receipt sent to and received by LaBour Pump Company, 11/10/88 - 11/14/88

Document: Response to Information Request
From: Labour Pump Company
P.O. Box 1187
Elkhart, IN 46515
To: Ms. Susan Swales
Date: 12/16/88
Summary: Response to request for information concerning activities relating to Himco Waste Away or Himco Incorporated.
· Labour manufactures process pumps.
· Mfg. process includes turning, milling, drilling, boring, broaching, grinding, welding, honing, casting, heat treating and assembly.
· Wastes include turnings, carbide, tool steel, paper products of all types, plastics, wire, sand, wood, etc.
· Disposal practices include reclamation of turnings and coolant, selling of carbide and tool steel, and disposal of paper, wood, wire, etc. via Himco.
· Currently they generate no hazardous wastes; therefore no arrangements have been made.
· Himco is contracted by LaBour for disposal of non-hazardous waste such as paper, wood, plastics, grass clippings, etc. Neither Himco nor any other company has been contracted by LaBour for hazardous waste disposal.

Document: FOIA Request
From: Norman B. Berger
Holleb & Coff
55 East Monroe Street, Suite 4100
Chicago, Illinois 60603-5896
To: Ms. Susan Swales
Date: 05/16/89
Summary: Letter requesting that, pursuant to the Freedom of Information Act, all documents relating to the referenced site be produced for copying and inspection.

Document: Response to Special Notice Letter
From: Thea Dunmire
Holleb & Coff
55 East Monroe Street, Suite 4100
Chicago, Illinois 60603-5896
To: Ms. Susan Swales
Date: 09/28/90
Summary: Letter regarding the General Notice of Potential Liability dated September 4, 1990. The letter states that LaBour did not contribute hazardous waste to the Himco Site. Given LaBour's lack of responsibility, LaBour declines to undertake the requested response activity at the Site.
